WAIVER OF EXCEPTIONAL EDUCATION INTERNSHIP I PETITION FORM

Directions: In order to have Internship I in Exceptional Education waived, you must provide evidence that documents and describes the following components experienced in your teaching at both the elementary and secondary levels. Evidence includes unit plans, lesson plans, assessment plans or student work. In addition to completion of this form, you must read and follow the directions on the Petition to Waive Internship I.

Please consider a waiver of Internship I as I have met the following requirements (attach specific documentation for each):

____ 1. Planned and implemented precision teaching and one other form of monitoring other than unit tests

____ 2. Did direct teaching of skills with a small group of students in both settings

____ 3. Observed and participated in experiences with students in the mainstream or in other settings such as art, music, and physical education

____ 4. Describe the use of technology and software with students.
   Used the following technologies:
   a. assistive technology
   b. LCD / overhead projector
   c. computer programs
   d. other ________________________________

____ 5. Planned lessons for individuals and small groups of students in reading and math

____ 6. Developed and implemented written lesson plans

____ 7. Planned and implemented creative lessons

In addition to the above, you must describe the management system and organization of the classrooms in which you have worked that served students with mild/moderate disabilities.

Revised: July 2004
