Agency Administrator in Charge of Internship: Jody Shotwell Scott, LMHC, CAP

Administrator's Title in Agency: Clinical Director

Agency Administrator's Telephone Number: (407) 245-0014 x233

Description of site and clients: FOCUS is a community-based program providing individual, group, and family counseling to individuals in at-risk communities in Orange County. The program provides mental health counseling at no cost to individuals "across the lifespan". A variety of problems and issues impact the clients: economic/financial, marital and family; self-esteem; trauma and abuse; academic; social; other mental other issues, etc...

Application procedure for site: Interested students may contact Jody Scott, LMFT, Clinical Director to schedule an interview: jscott@cfdfl.com. Background screening including fingerprinting is required.

Special consideration or needs of site: Interns interested in FOCUS have an opportunity to experience and serve individuals with a wide range of problems and issues.

Hours of operation: Monday- Friday 9 - 5

With client permission, what type of taping is allowed? Video Audio
 Both None

Does this site require a one or two semester commitment? One semester Two Semesters

Agency Administrator in Charge of Internship: Jody Shotwell Scott, LMFT, CAP

Administrator's Title in Agency: Director of Intern Development Administrator's Telephone Number: (407) 245-0014 ext. 233

Description of site and clients (100 words max):

Medication Assisted Treatment Program provides comprehensive medical, psychiatric, and behavioral counseling care on an outpatient basis for adults addicted to substances. Assessments, individual, group, and family counseling are available in addition to medications such as methadone, Suboxone, and Vivitrol that support the needs of the clients. Pregnant and post-partum women are a priority population in this program.

Please describe the application procedure for your site (100 words max):

Interested students are to contact the Director of Intern Development at Jody.Scott@aspirehp.org to schedule an interview. Background screening is required, including fingerprinting.

Special consideration or needs of site (50 words max):

Clients typically have co-occurring mental health disorders as well as substance-related ones. Interns would have the opportunity to work in a multi-disciplinary setting, as ARNPs, medical, nurses, case managers, and clinicians work together to help the clients.

Hours of operation: 7 am – 4 pm M-F

Agency Administrator in Charge of Internship: AimeeJennings

Administrator's Title in Agency: CHILL Coordinator

Agency Administrator's Telephone Number: (407) 644-0453

Description of site and clients:

The CHILL Program is a school based counseling program located in the Winter Park Consortium of Schools. Interns will be placed in an elementary, middle or high schools setting and will provide individual, group, and family counseling services to students and their families. Most of our clients range in age from 4-19 with some opportunity to provide individual counseling to the parents of the students. The focus of the CHILL Program is on basic intervention and prevention covering a variety of issues such as family issues, grief and loss, anger management, depression, anxiety, social skills, self-esteem and coping skills. .

Application procedure for site:

Applicants should send their resume to aimee.jennings@ocps.net.

Special consideration or needs of site:

Students with play therapy and experience working with children/adolescents are preferred. Applicants are encouraged to have an understanding of developmental concepts/theories and family systems theories. As we work within OCPS schools we take interns during the Fall/Spring semesters only.

Agency Administrator in Charge of Internship: Christopher B. Karegeannes, MS, LMHC, LMFT

Administrator's Title in Agency: Clinical Director

Agency Administrator's Telephone Number: (386) 738-9169

Description of site and clients: Our Deland clinic is a two story house located in a residential area of Deland, FL. We are wheelchair accessible. Our clinic provides individual, group, and family counseling, and also provides Adult Anger Management groups six times per year. We do not accept private insurance but take Medicaid and many Medicaid HMOs; for clients who qualify we have access to other fund sources and a sliding fee scale is available. We are an outpatient counseling facility and do not provide emergency mental health counselling services. We primarily provide services for West Volusia County clients, but have limited ability to provide services to clients who reside in the east side of Volusia County.

Application procedure for site: Perspective interns are asked to contact the Clinical or Site Director and arrange for an interview. If there is a mutual interest they will be asked to complete a similar process used for employees in terms of background and drug screening. If that clearance is gained, HND can offer a placement.

Special consideration or needs of site: Persons available to work during the late afternoon and early evening hours Monday through Thursday. Persons with an interest and some background in couples and families preferred.

Agency Administrator in Charge of Internship: Denise Conus

Administrator's Title in Agency: Mental Health Program Director

Agency Administrator's Telephone Number: (407) 324-3036 x265

Description of site and clients:

Kids House Wayne Densch Children's Advocacy Center aids children by providing all necessary services for abuse cases from reporting and investigation through treatment and prosecution. Our Mental Health Program provides therapy to children who have been victims of physical and sexual abuse as well as neglect and witness to severe domestic violence. We also see non-offending caretakers and siblings as necessary. Interns provide individual therapy with caretakers, co-therapy with children in individual, group and family treatment and may gradually work individually with children.

Application procedure for site:

A student interested in an internship with our Mental Health Program should fax or email their resume to Nicole Brennstuhl. Students who reach the interview process will be asked to complete an Internship application. Through the interview and application process we will determine the best match for both the student and Kids House. A full background check will be required.

Special consideration or needs of site:

A base knowledge of child abuse and the child welfare system, some previous clinical experience, commitment and dedication to the agency and cause, love of children, passion for learning, self motivated, flexible hours of availability. Intern must be available to be present at Treatment Team meeting weekly on Thursdays at 9:00am. Evening hours are also required as families are often seen after school and in the evening.

Agency Administrator's Telephone Number: 407-246-5250

Description of site and clients: Pasadena Villa is a 14-bed residential treatment facility which also offers transitional and support services for adults who suffer from severe and persistent mental illness including schizophrenia, anxiety disorders, co-occurring substance abuse and addiction as well as autism spectrum disorders. Pasadena Villa follows a Social Integration model which allows residents to feel as if they belong to a community much like how they will when they leave treatment. A lot of focus is placed on assisting residents in integrating to the community and therefore we participate in many community activities.

Application procedure for site: Interested students should contact Jessie, Assistant Clinical Manager, by e-mail (jessica.cuadros@pasadenavilla.com). A resume is required at inquiry. An interview is set up and if accepted a background check and drug test need to be completed.

Special consideration or needs of site: Social integration is a key component in treatment for residents. Interns have the opportunity to work in assisting residents with co-occurring disorders and the severe and persistent mentally ill re-integrate into society. Interns can work day, evening, and weekend shifts.

Hours of operation: 24 hours, 7 days a week

Description of site and clients (100 words max):

Seasons Counseling is a moderately sized private practice located in Maitland with 3 practicing counselors. The counselors see a wide variety of clients ranging from children to older adults, however, the majority of the clientele are adolescents and adults. The atmosphere is comfortable and welcoming and the office is located conveniently near schools and other businesses. The counselors and clients at Seasons work on issues such as anxiety, depression, relationship distress, phase of life problems, and parental coaching. Seasons Counseling has multiple connections with churches, schools, psychiatrists, and general practitioners in the area which refer clients to the practice.

Please describe the application procedure for your site (100 words max):

At Seasons Counseling, we request a formal resume and upon further review a face-to-face interview with the applicant.

Administrator's Title in Agency: Director

Agency Administrator's Telephone Number: 407-628-6340

Description of site and clients: CAPS is a college campus counseling center for all students at Rollins College in the following schools, A&S, CPS, Holt and Crummer. Clients are traditional and non-traditional aged college students

Application procedure for site: Interns contact the on-site supervisor in the spring semester by email, nclarke@rollins with a letter of interest and resume. Upon review interns who are successful in the first round will be invited to campus for an individual and/or group interview. Interns should be prepared to respond to questions on interest in college counseling, personal counseling theory and some knowledge of Rollins College.

Special consideration or needs of site: Individual counseling with availability during normal hours of operation with some requirement for after-hours outreach presentations. Total number of onsite hours may exceed UCF internship requirement in order to secure adequate number of clinical hours for graduation.

Hours of operation: Monday through Friday 8:30 am to 5:00 pm.

Administrator's Title in Agency: Director of Programs

Agency Administrator's Telephone Number: 321-242-3110 ext. 316

Description of site and clients: The Women's Center is non-profit organization that provides a variety of services including but not limited to: outpatient counseling for women, men, and children; advocacy and support for victims of domestic violence; information and referral; career services; and transitional housing. We have two locations: Melbourne and Titusville.

Experience, Duties and Objectives: The Women's Center will provide the student the opportunity to use skills in clinical and counseling psychology and may include outpatient individual, couples, family and group psychotherapy and crisis intervention. Skills expected include Intake interview, diagnosis and treatment plan development, counseling interventions, and documentation.

Application procedure for site: Email your interest to Sue Kiley: skiley@womenscenterinbrevard.org and communicate which semesters you are interested in. We will send you an application. Submit the Women's Center Intern Application along with your resume and internship hours requirements to Sue Kiley and we will select students for an interview. Interviews for Fall semester start of internship will be conducted in April/May. Summer semester start of internships will be conducted in March/April and for Spring semester start in Nov./Dec.

Special consideration or needs of site: •Students are allowed to provide counseling between the hours of 9 am to 4 pm. No evening or weekend student intern/practicum hours are available. Students will provide counseling to clients only when a licensed clinician is on-site. Students' counseling schedules will be dependent on days that offices are available at the Women's Center.

Hours of operation: 9:00-4:00 Mon-Fri.

Agency Administrator in Charge of Internship: Tony Ambush

Administrator's Title in Agency: Office Manager

Administrator's Telephone Number: 321-332-6984

Description of site and clients (100 words max):

We are an integrated counseling center that provides alternative /complimentary treatments along with traditional counseling. We have varied practitioners on site to help assist clients and work with their mind, body, and spirit. In addition to mental health counselors, marriage & family therapists, and psychologists, we also have massage therapists, pastoral counselors, acupuncture physicians, financial counselors, health coaches, and nutrition counselors as well. We see children, adolescents, and adults and our vision is to help them become physically healthy, emotionally solid, relationally connected, spiritually strong, and financially secure. We offer services in both English and Spanish. Along with individual, couples, and family therapy, we also facilitate approx. 10 different groups on a weekly basis (Anger management, sex addiction, partners of sex addicts, women's empowerment, foster/adopted kids, positive parenting, mindfulness, etc.).

Please describe the application procedure for your site (100 words max):

We ask that students submit a resume and class requirement information to:

Info@TotalHealthGuidance.com. We do an initial phone screening, then a second phone interview with the owner before setting up an in person interview. We can usually have an answer to our potential interns within 2 weeks if not sooner.

Special consideration or needs of site (50 words max): We offer a unique intern experience whereas

students are able to gain insight into new and complimentary treatments for mental health issues. We train our interns on both the clinical and administrative side of the business including marketing, social media, training, etc. which makes our location best suited for those desiring to enter private practice.

Description of site and clients:

The Counseling and Psychological Services (CAPS) provides services to enrolled students at the University of Central Florida. Students come to the CAPS with an array of developmental and mental health concerns ranging from minor adjustment issues to various kinds of severe psychological disturbances. Among the services offered by CAPS are initial assessment, brief individual and group therapy, offer outreach programming to the campus community.

Application procedure for site:

In order to apply, candidates must: Complete the Graduate Training Application form in full; have their graduate program chairperson send a letter stating eligibility for internship; provide an official graduate transcript from your

institution(s); provide two letters of recommendation (one letter should be from your academic program); and provide a copy of your resume or vitae before the deadline; as well as commit to a minimum of 32 hours per week to our site.

Special consideration or needs of site:

An onsite interview will be granted to qualified applicants from the pool which included several programs at UCF and surrounding areas. Then the best applicants will be selected as trainees for the upcoming academic year starting fall. Students also need to commit to a two week orientation in August. The number can vary from year to year. Students who were clients at UCF CAPS need to have ended treatment at least 6 months prior to the start of internship August 1.
