Assignment of Academic Advisor

A faculty academic advisor is assigned to a student upon their acceptance into the Early Childhood Education Program (PK-3). The advisor is the key individual with whom the student will work. **Contact your assigned advisor BEFORE** you enroll in courses in the Early Childhood Program. Go to the MyUCF website at www.my.ucf.edu to locate your SAS audit. Your faculty advisor and contact information are located on the first page of the audit.

Please note: If you are an Early Childhood Education “pending”, then the Office of Student Services will assist you with advising issues.

Seminar

The EEC 3930C (“Early Childhood Education Seminar – Bridging Theory to Practice”) course will be taken in lieu of Internship I and prior to Senior Internship. ECE Faculty will select the schools and teachers for in-school placement experiences. You will be in your school settings during weeks when class is not meeting face to face. Before entering Seminar (EEC 3930C), there will be a student orientation in which semester requirements will be outlined. An application will be provided during the orientation meeting prior to the start of EEC 3930C. Prior to enrolling in the course, a degree audit and completed Course Application will be submitted to an ECE Faculty Member for review.

Senior Internship

Senior Internship comprises critical parts of the Early Childhood Education program. Therefore, it is crucial that students are aware of the expectations and requirements of internship placements. For detailed information including requirements and application deadlines, please visit the Office of Clinical Experiences website at http://education.ucf.edu/clinicalexp/
Applying for Graduation

Undergraduate students in the Early Childhood Education program must complete the Baccalaureate Notice of Intent to Graduate form and the Graduation Contact Form prior to graduation. Both of these forms can be completed in the College of Education – Office of Student Services. Please note that these forms are not available online at this time. Please check with the Office of Student Services for the most recent graduation application deadlines. An incomplete or late form may result in a delay of graduation, effect your participation in Commencement, and delay the printing of your diploma. For more information regarding the College of Education graduation requirements, please refer to the Office of Student Services website at http://studentservices.education.ucf.edu. For information regarding the College of Education commencement, please visit the UCF registrar’s website at www.registrar.ucf.edu.

Transfer Students:

We strongly recommend that transfer students make an appointment with The Office of Student Services in the College of Education to receive advisement regarding the Early Childhood Education Program. Student Services in the College of Education will review transcripts and assist with credit transfer. Call (407) 823-3723 to make an appointment.

The Office of Student Services in Education can assist you regarding Early Childhood Education coursework you may have completed at another institution. Some courses may be substituted for courses listed as those required by the UCF catalog. Substitution forms are available at the Student Services website: http://studentservices.education.ucf.edu

**LiveText Early Childhood Education Professional Portfolio (PK-3)**

All Early Childhood Education Majors are required by both the College of Education and the State of Florida Department of Education to complete an Early Childhood Education professional portfolio in order to graduate. The College of Education has moved all aspects of the portfolio to LiveText, an online ePortfolio management system. http://livetext.education.ucf.edu This portfolio requires a demonstration of professional growth, reflection, and proficiency in the 12 Florida Educator Accomplished Practices. The specific assignments for your portfolio will be found in your course syllabi and explained in detail in your classes. The following items are suggested to prepare for your portfolio:

- Download and read the 12 Florida Educator Accomplished Practices (FEAPs) from the Florida Department of Education located at: http://www.fldoe.org/dpe/publications/preprofessional4-99.pdf

- Purchase LiveText at the UCF Bookstore, CB&S Books or online at http://college.livetext.com (approximate cost $90)

- Register for the FREE introductory class (2 hr. tutorial) with the UCF College of Education Office of Technology and Facilities at 407-823-6047 or email tech1cal@mail.ucf.edu The tutorial class will teach you how to use the LiveText system, setup your portfolio properly and explore other functions of the LiveText system. Classes are available at the beginning of each semester.
If you have questions or experience problems regarding LiveText and your portfolio please contact the Education Technology Help Desk at 407-823-6047 or tech1cal@mail.ucf.edu

ESOL Endorsement – Early Childhood (PK-3) Education

Students who are earning an Early Childhood Education (PK-3) degree are now required to complete an ESOL Endorsement by the Florida Department of Education. This requirement begins with those students who were freshmen or transfers under the 2000-2001 catalog and will be graduating in 2004 and after.

http://education.ucf.edu/esol/

ESOL Endorsement Requirements

The State of Florida requires pre-service teachers to complete 300 hours of in-service credit OR 15 semester hours covering five required topics: Methods of Teaching ESOL, ESOL Curriculum and Materials Development, Cross-Cultural Communication, Understanding Applied Linguistics, and Testing and Evaluation of ESOL. UCF has elected to use an “infusion” model which consists of two required stand-alone courses, TSL 4080—Theory and Practice of Teaching ESOL Students in the Schools and TSL 4240—Issues in Second Language Acquisition. The additional hours of ESOL content coverage are infused in courses throughout the curriculum, field experiences, and internships. A TESOL notebook is required to document ESOL endorsement.

TESOL Notebook

The TESOL Notebook is introduced in TSL 4080 so it is imperative that majors in Early Childhood Education take TSL 4080 in the first semester of their admittance to the program. Specific forms and TESOL Notebook information can be found at http://reach.ucf.edu/~studtesol
The Web CT ID is <tesolguest> and the password is <tesol>. Then click TESOL Notebook.

The State requires that the College of Education must specify multiple and specific sources of data (evidence) to be used to determine acquisition of each of the 25 ESOL Performance Standards. Examples of evidence are:

- Tests, assignments, papers, activities, and other class work used to demonstrate acquisition of ESOL competencies during coursework.
- An evaluation of teaching LEP students by an ESOL certified teacher.
- Lessons adapted for LEP students in specific content areas.
- Resources or instructional materials selected for LEP students in specific content areas.
- Text analyses for linguistic difficulty in specific content areas with modifications to make instruction comprehensible.
- Adaptations of tests or other assessments.

To meet this requirement, students are responsible for collecting, reviewing, and selecting appropriate artifacts that demonstrate proficiency in each of the 25 Florida ESOL Standards. Each student will provide verification that he/she can create/adapt/use materials effectively with LEP students by collecting evidence in their TESOL notebook. Most, if not all, of the TESOL notebook should be complete prior to Senior Internship. The security and maintenance of the TESOL notebook is the student’s responsibility.
