The 21st Century Community Learning Center (21st CCLC) initiative is a key component of the “No Child Left Behind” Act. It is an opportunity for students to enhance and reinforce academic lessons of the regular school day, while also allowing them to learn new skills and discover new opportunities after the regular school day has ended.

The programming runs from 3:05pm - 6:00pm Monday, Tuesday, Thursday and Friday and 2:15pm-6:00pm on Thursday. A typical schedule is:

- 3:05pm - 3:20pm - snack
- 3:25pm - 3:55pm - homework assistance
- 4:00pm - 4:55pm - academic enrichment/STEAM (Project Based Learning)
- 5:00pm - 5:45 - personal enrichment (technology, physical education, character ed, fine arts and life skills)
- 5:50pm dismissal.

We are looking for volunteers that could assist our certified teachers and certified assistants. They would provide assistance with homework, academics and personal enrichments and assist with transitioning the students from one enrichment to the next. UCF students would provide mentoring to the students and gain valuable experience working alongside certified teachers in a classroom setting in a public school system.

Consistency and structure is a great value to these students and the program, thus they would look for UCF students that could commit to one or two days per week over the course of a unit (nine weeks) or a half of a unit (four to five weeks).

The three participating elementary schools in Seminole County are Altamonte, Casselberry and English Estates.
