

DISSERTATION AGREEMENT FORM

Purpose: Dissertation courses generally do not have syllabi. Therefore, clarity in the expectations and grading may be provided using this form in lieu of syllabi.

Directions: Doctoral candidates who register for any dissertation credit should initiate the form by completing sections 1, 2, and 3. The candidate should provide the draft form to the dissertation chair, who will sign if in agreement with the items the student has entered. The dissertation chair may modify section 2 to create a clearer understanding of expectations and grading, sign, and then provide to the candidate the revision. Alternately, dissertation chairs may initiate the agreement form. Dissertation chairs and candidates should retain a copy of the agreement for their records. **The completed and signed form is to be given to Graduate Staff in ED 115**, Graduate Affairs, to serve as permission for dissertation hours registration for the semester that immediately follows.
