Having Active Participation Prepares You Pre-Service Professional Development

Dear Exhibitor:

Here's an opportunity you don't want to miss. On Saturday, January 30, 2010, hundreds of college students, all of whom are future teachers, will attend the UCF College of Education *HAPPY Hour Student Showcase*. As an Exhibitor, you can be front and center and showcase your products before these education majors.

This is your invitation to exhibit and sell among these future teachers when the *HAPPY Hour Student Showcase* brings together education majors in a professional development workshop setting, with plenty of time for them to meet you and see your products. These students will soon be teaching in classrooms throughout Central Florida, and now is the best time for them to get to know you and all your business has to offer.

As an Exhibitor you will enjoy premium table space with access to everyone attending the Showcase, including college faculty and teachers from throughout the area who will be working with the students at the Showcase.

The HAPPY Hour Student Showcase will be held from 8:30 a.m. – 3:00 p.m. on Saturday, January 30, 2010, in the UCF Teaching Academy and the College of Education Building Complex on the main campus of the University of Central Florida in Orlando. As an Exhibitor you may set up as early as 7:30 a.m. Bring your company banner to display, or provide it in advance so we can hang it for you.

Over 500 students majoring in education are invited to attend the Showcase. You won't want to miss this opportunity to sell to them. Network, sell, meet and greet new and future clients. The attached form tells you how to reserve your spot. Exhibitor space is limited, so be sure to respond now, while space is still available. Exhibitor space will sell out.

Please contact me directly with questions. You can reach me at kverkler@mail.ucf.edu. If you would like more information about the HAPPY Hour Student Showcase, please check out the HAPPY Hour website at <http://education.ucf.edu/happyhour/>

Cordially,

Karen Verkler, Ph.D.
Chair, HAPPY Hour
