Instructions for Class Search

If you would like to find dates and times of courses being offered each semester as well as which professor is teaching, please see the following instructions:

2. Under Helpful Resources on the left bottom corner, click on Class Schedule Search (you do not need to log in to do this search).
3. Under Enter Search Criteria in the second box, choose the term you would like to search for (i.e. Fall 20XX).
4. Enter additional information you would like to search for:
   a. For a specific course by number, enter the letter prefix in Course Subject (i.e. EDH); enter the number in the Course Number field.
   b. For a specific course by description, enter part or all of the description in the Description field.
   c. For a listing of all courses taught by a specific instructor, type the instructor’s last name in the Instructor Last Name field under Additional Search Criteria. You may choose “is exactly,” “begins with” or “contains” as search options for name.
5. Click Search.

Note: Course dates, times and instructor assigned are subject to change at any time.
