Professional Disposition Standards and Sample Indicators (2016)

The College of Education and Human Performance at the University of Central Florida expects current and future educators to possess and exhibit professional dispositions and behaviors deemed essential to success as a professional educator. These professional dispositions are reflected in the unit’s Conceptual Framework and National Council for Accreditation of Teacher Education (NCATE) unit standards as well as the Council for the Accreditation of Educator Preparation (CAEP) standards. Assessment of these professional dispositions is integrated into key formative and summative standards-based performance assessments in initial and advanced educator preparation programs in the unit.
