Call for Proposals
T. Denny Sanford Programs - Research Funding

Award Amount: Up to $5000

T. Denny Sanford, philanthropist and business leader, has generously made a gift to the UCF College of Education and Human Performance. With the initial collaboration with Arizona State University and National University, Mr. Sanford developed the Sanford Inspire Program and the Sanford Harmony Program. Both programs are based on Mr. Sanford’s vision that every child in America has an inspired and inspiring teacher.

Because of Mr. Sanford’s generous gift, we invite research proposals from undergraduate students, graduate students, and full-time faculty in the CEDHP. All proposals must focus on research related to the Sanford Inspire Program or the Sanford Harmony Program. Please note that individuals may only submit one proposal.

Information about each program can be found at the following websites:
