Cheney After-School Program

Cheney volunteers organize fun and enriching activities for the students of Cheney Elementary by creating after school clubs that meet on a weekly basis. Examples of past clubs include the Arts and Crafts Club, Basketball Club, Cheerleading Club, Dance Club, Chess Club, Science Club, International Club, and Sports Club.

HERO volunteers choose the type of club they want to create, the age and number of students who can participate, and what day and for how long the club meets. HERO volunteers can create a club individually or with a group of friends. Clubs can meet anytime during "Activity Hours," which are held from 4:30-5:30 Mondays, Tuesdays, and Thursdays, and from 4:00-5:30 Wednesdays and Fridays. Clubs that relate to the four subjects (language arts, social studies, science, or math) can be held during "Academic Hours," which are held from 3:30-4:30 Mondays, Tuesdays, and Thursdays, and 2:30-3:30 Wednesdays.

The Cheney After-School Program is a partnership with the UCF Honors Educational Reach Out (HERO) Program. HERO is a program that is open to all UCF students. For more information about how to get involved, email the HERO Coordinator at hero@ucf.edu or stop by the Burnett Honors College room 107.
